

THE VILLAGE GREEN
A Village Conservancy Project

“To preserve and enhance land for our community’s civic, spiritual, academic, recreational, and cultural activities in order to maintain the quality of life for all citizens and visitors in the greater Cashiers area.”

This mission statement was developed to guide the use of the twelve and a half acre park, The Village Green, located at the crossroads of Hwy 107 and Hwy 64. This was the first project of the Village Conservancy, which was established as a non-profit charitable corporation in 1993 for preservation and conservation of local lands.

The Village Green pavilion is used for many community events — from concerts, weddings, and graduations to religious and civic activities. There are picnic shelters, grills, and a completed boardwalk with nature trails in production. As it continues to grow, it is clear that our vision of “a model community activities center for southern Jackson County” is a reality.

The Village Play playground, which delights the hearts of young and old was built in 2002 over a five-day period mostly by volunteers and in the rain. The design included the ideas of local school children. Memorial bricks that are being laid in the entrance can be purchased using the form below. For any further information, please contact The Village Green at Post Office Box 2201, Cashiers, NC 28717, or call 828-743-3434.

Additional Bricks Available
Become Part of the “Foundation” — Buy a Brick!

You can become a permanent part of The Village Green by purchasing an engraved “brick” that will be incorporated into the design of the playground. Great idea for an unique gift for birthdays, holidays, or anniversaries. Honor a friend, graduate, birth, or memorial. Company names and logos are welcome to! Of course, all contributions are tax deductible. Please make checks payable to The Village Green
